At Allianz, the leading provider of Schools Insurance in Ireland, we are committed to providing you with the broadest possible Personal Accident cover to protect the children of your school. Cover is provided in the form of a series of benefits (detailed on page 4), **including Medical and Dental expenses** which are not recoverable from any other source, as a result of non-culpable accidents, subject to the terms, conditions, limitations and exclusions of the Policy.

In today's environment of increasing Medical/Dental expenses, we can provide Pupil

Personal Accident cover for as little as **€4** per pupil for school activities or for **€7** on a 24 hr basis, 365 days of the year. For this premium, school principals and parents alike can have peace of mind knowing that both Medical and Dental expenses are covered following insured accidents at school or in the home.

Our competitive price, enhanced policy covers and improved benefits, together with our acknowledged efficient claims service, provide you with the most competitive broad-based cover available in Ireland.

What makes the Allianz Policy the market leader? The answers are simple:

(a) Claims

The Allianz Pupil Personal Accident policy is unique in that it is the only Pupil Personal Accident policy in Ireland which will provide ongoing Medical and Dental expenses following an accident for an unlimited period of time (*subject to the policy limit of €30,000).

Many accidents particularly involving Dental costs require further treatment for a period of time following an accident. The Allianz policy provides the most extensive cover for these incidents which can be costly to parents over a long period of time. Other insurers will only pay these insured expenses for a limited period (generally two years) after the accident.

(b) Arrange cover online

We simplified the online application last year. You no longer need to contact Allianz for usernames or passwords. Simply log onto www.allianz.ie/schools, proceed to the Pupil Personal Accident section of the website and purchase your policy. It's that easy.

(c) Covers ongoing Medical and Dental expenses

We have separated the Medical and Dental expense benefits this year, so they each have a limit of €30,000. This ensures that the limit for both Medical and Dental cover is not diluted by an associated claim under the other heading. An accident can be a very traumatic time for pupils and parents alike. We at

Allianz aim to minimise this trauma by eliminating the Medical/Dental expenses resulting from the accident and so enabling the parent to concentrate solely on the welfare of their child.

(d) Value for money

With Premiums ranging from only **€4** to **€8** it is extremely well priced and represents excellent value for money.

Details of premiums are outlined below:

Option Available	Requirements	Cover Type	Cost
Option A – All Pupils	All pupils must be included and the level of cover must be common to all pupils.	School Activities only.	€4 per pupil
		24 Hour basis.	€7 per pupil
Option B – Specified Pupils	Specific cover for individual pupils.	School Activities only.	€5 per pupil
		24 Hour basis.	€8 per pupil
