This also means that when the Treatment dates of an Illness or Injury fall into two or more Policy Years You pay an Excess for each Policy Year. You may also pay a percentage amount on each and every Veterinary Fees claim depending on the age of Your Pet. This percentage is shown on Your Schedule if it applies.

## Injury

A physical Injury or trauma caused immediately by an accident. Not any Injury that happens over a period of time and not contributed to, in any way, by a previous disease process in the body.

# General Conditions

1. Throughout the Policy Year You must take care of Your Pet, arrange and pay for Your Pet to have a yearly health check and dental examination and any Treatment normally recommended by a vet to prevent Illness or Injury. Failure to do so may affect payment of claims. Such Treatments may include neutering, descaling of teeth, worming, flea and tick Treatments, blood tests and screening, nail clipping, dewclaw removal, grooming, routine emptying of anal glands, removal of anal glands and use of pheromones and prescription diets.
2. You must arrange for Your Pet to be kept vaccinated against the following:  
Dogs: Distemper, hepatitis, leptospirosis, parvovirus and kennel cough.  
Cats: Feline infectious enteritis, feline leukaemia and cat flu.  
If You do not keep Your Pet vaccinated, We will not pay any claims that result from any Illness it must be vaccinated against.
3. If, when You claim, there is any other insurance under which You are entitled to payment, We will only pay Our share of the claim.
4. If You have any legal rights against another person in relation to Your claim, We may take action against them in Your name at Our expense. You must give Us all the help You can and provide any documents We ask for.
5. If any claim under this Policy is in any respect fraudulent, or if any fraudulent means or devices (including inflation or exaggeration of the claim, or submission of forged or falsified documents) are used by You or anyone acting on Your behalf to obtain any benefit under this Policy, all benefit is forfeit.
6. You agree that any vet has Your permission to release any information We ask for about Your Pet. If the vet makes a charge for this, You must pay the charge.
7. When We offer further periods of insurance, We may change the premium and conditions, and add exclusions because of Your Pet's history.
8. We will not guarantee on the phone if We cover a claim. You must send Us a claim form that has been properly filled in. We will then contact You with Our decision.
9. If You make an alteration to Your Policy We will re-calculate Your premium which may result in an additional premium due to Us, or a premium due to You. If the alteration to the policy results in an additional premium due to Us, or a refund due to You, We will only charge or refund such premium provided this amount is greater than or equal to €25 plus applicable Government Levy.

# General Conditions Continued

10. If We receive a request to pay the claim payment directly to a veterinary practice, We reserve the right to decline this request.
11. If the Veterinary Fees You are charged are higher than the fees usually charged by a general or referral practice, We reserve the right to request an independent opinion from a vet that We choose. If the vet We choose does not agree with the Veterinary Fees charged We may decide to pay only the Veterinary Fees usually charged by a general or referral practice.
12. If We consider that the veterinary Treatment Your Pet receives may not be required, or may be excessive when compared with the Treatment that is normally recommended to treat the same Illness or Injury by general or referral practices, We reserve the right to request an independent opinion from a vet that We choose. If the vet that We choose does not agree with the veterinary Treatment provided, We may decide to pay only the cost of the veterinary Treatment that was necessary to treat the Injury or Illness, as advised by the vet from whom We have requested the independent opinion.
13. This Policy will be voidable in the event of misrepresentation, misdescription or non-disclosure of any material facts i.e. those circumstances which may influence Us in our acceptance and assessment of this insurance. This condition applies at inception of Your Policy, when a section is being added to Your Policy and at renewal each year.
14. You may cancel the Policy at any time by written notice. If there has been no claim during the current Period of Insurance We will return premium for the un-expired Period of Insurance. We may also cancel the Policy at any time by sending notice by registered letter to You at Your last known address. The notice is effective from midnight on the seventh day immediately following the date of the registered letter. The Arbitrators shall appoint an Umpire who shall sit with the Arbitrators and in the case of disagreement the Arbitrators shall submit to the decision of the Umpire.
