### 3. Changes to Right of withdrawal, Cancellation, Material Facts/Duty of Disclosure/Alteration of Risk and Subrogation

This document is attaching to and forming part of your above policy with effect from policy renewal/inception dates on and after 1st September 2020. Please read this document carefully and note the changes in your policy terms and conditions as outlined below. Please note that the amended terms below, with the exception of the Subrogation terms, overwrite any related term on any other documentation. The Subrogation terms below act as an addition to the Rights of Recovery section in policy booklet.

#### 1. Right of Withdrawal

Your Right of Withdrawal as outlined in your Terms of Business and policy wording has been amended from 14 calendar days to 14 working days and now reads as follows:

You have the right to withdraw from this policy, provided you have not made a claim, within 14 working days of the latest of:

- (1) the starting date of cover, or
- (2) the date on which you receive the full terms and conditions of your policy.

Withdrawal effectively means that no policy was ever in place, and you may exercise this right by notice in writing to us, quoting your policy number. Our address is Allianz House, Elm Park, Merrion Road, Dublin 4, D04 Y6Y6. Should you exercise this right we will refund you the premium you have paid. If the cover is motor insurance, the premium cannot be refunded until the Allianz Certificate of Motor Insurance and Insurance Disc have been returned to us. Please note that the right of withdrawal does not apply if the insurance policy under which insurance cover is provided for is less than 1 month.

#### 2. Cancelling Your Policy

Your cancellation rights have been amended to:

You may cancel the policy at any time by contacting us by phone or in writing. Our address is Allianz House, Elm Park, Merrion Road, Dublin 4, D04 Y6Y6. We will cancel your policy from the date we receive your request. You must pay your premium up to the cancellation date of your policy.

We may cancel the policy at any time by issuing a written notice to you at your last known postal address. If we cancel your policy and nothing has happened that may result in a claim during the current period of insurance, we will refund part of your premium for any remaining period of insurance. The exception to this is when the

## Your Motor Insurance Policy

reason for cancellation is as shown in the General Policy Conditions of this policy and where it says we are entitled to keep the premium.

No matter who cancels the policy, if there has been a claim during the period of insurance we will not return any of the premium you have paid. If you cancel your policy within the first 14 working days of the period of insurance, no transaction charge will apply. However, if you cancel your policy after the first 14 working days, a transaction charge will apply. This transaction charge is outlined on your policy schedule. If we cancel your policy, at any stage, no transaction charge will apply.

### 3. Material Facts/Duty of Disclosure/Alteration of Risk

When arranging this insurance over the phone, by email, via our website or through your insurance intermediary you declared that the answers you provided were, to the best of your knowledge and belief, true and complete in every respect and that you did not make any misrepresentations. A misrepresentation is where an individual provides fraudulent, inaccurate, misleading or incomplete information. You acknowledged the importance of answering all questions honestly and taking reasonable care not to make a misrepresentation when providing us with answers to the questions asked. Failure to do so may lead to the voidance of your policy and/or your claim not being paid at all or alternatively only part of your claim being paid to you.

Please note that any "alteration" clause in the policy or any clause which refers to an "alteration of risk" will apply only where the subject matter of the policy has changed or altered. Any clause of the policy which refers to a "material change" will be interpreted as referring to changes that take the risk outside that which was reasonably envisaged by both you and us when the policy sale was concluded. If you are in any doubt as to whether there has been a change in the subject matter of the contract which changes the risk to something that we did not agree to cover, then please contact us or your intermediary.

### 4. Subrogation

Subrogation is the process whereby when you have the right to recoup damages and/or costs from another person, resulting from an incident which is covered under your policy, we, your insurer, are entitled to recover such amounts from the other person(s).

In the event that the other person involved in the incident is a family member or cohabitant, or someone who caused an insured incident when using your motor vehicle with your consent, you may have decided not to recoup any resulting damages and/or costs. In such situations we:

## Your Motor Insurance Policy

- may not seek to recover such amounts by subrogation if that person is not insured in respect of the incident
- may not recover an amount which exceeds what they may recover from their own insurance policy
- will not require that you give us permission to recover such amounts in order for you to be able to claim from us
- reserve the right to recover such amounts where the incident arose from serious or wilful misconduct of the other person

In the event that the other person is your employee, we will not seek to recover damages and/or costs unless the incident was caused intentionally or recklessly, and with knowledge that loss or damage would probably result.

Please note that we may not accept any claims where your policy excludes any liability which is implied by agreement, and where you have entered such an agreement which limits your rights to recover damages and/or costs from any person in relation to any incident covered by this insurance.

### Claims payment

**Payment(s) We will make under Sections 2 and 3**

### Sections 2 & 3: What does “pay” mean?

The word “pay” means that We may, at our option, make a payment in cash of the amount of loss or damage, or may repair, reinstate or replace the Car. If We know that Your Car is the subject of a Hire Purchase or Leasing Agreement, any payment will be made to the owner to the extent of their legal entitlement.

In the event that Your Car is deemed to be either a statutory write-off or a financial write-off, We will not pay more than the market value of Your Car immediately prior to the loss or damage.

## Claims Procedure (continued)

We will determine the market value of Your Car to be the monetary value You could reasonably expect to pay for Your Car had You bought it immediately prior to the loss or damage. This will be determined by other Cars available in the market of comparative make, model, engine capacity, age, mileage, ownership history, general condition and any other relevant factors. We may use an independent specialist firm to determine the appropriate monetary value.

A statutory write-off means that a suitably qualified assessor has deemed the Car no longer fit for return to the road and should be either destroyed or rendered for parts.

A financial write-off means that the Car can be repaired to a safe condition but the cost of repairs renders it uneconomic to do so.

If We pay a claim on either a statutory or financial write-off basis, We reserve the right to own or destroy the salvage or to obtain an offer for the salvage on Your behalf which will be offset against the valuation.

### Repairs, Collections and Delivery

You may authorise repairs to a maximum of €650 provided an estimate is sent to Us immediately.

If Your Car is immobile as a result of an accident, fire or attempted theft We will pay the reasonable cost of removal to the nearest repairer.

We will also cover the reasonable cost of storing or protecting Your Car for up to a maximum of 3 days from the date of loss or damage.

The repairer may require You to pay the Excess before Your Car is released.

### Other Insurance

If any loss or damage is covered by any other insurance, We will not pay more than our rateable proportion. This does not override the references to other insurances (Exceptions to Section 1).

### Rights of recovery

If the law requires Us to pay a claim which would not otherwise be covered by Your Policy, We reserve the right to recover the amount from You or the person on whose behalf We make the payment.

### Getting Your Car repaired

If Your Car suffers damage which is covered by Your Policy, We recommend that You take it to one of our Aligned Repairers, or that You arrange for its collection by one of them.

If You do not use an Aligned Repairer, You should arrange for an estimate of repair costs to be sent to Us by Your selected repairer. You may authorise repairs provided the estimate does not exceed €650.
